Jeff Carlson, CGCS, Superintendent
The Vineyard Golf Club, Martha's Vineyard, Massachusetts

The Vineyard Golf Club: Seven Years of Organic Management

The Vineyard Golf Club, an 18-hole course located on the Island of Martha's Vineyard, has been recognized as one of the only organically conceived, constructed and maintained golf courses in the United States. This lecture will a progress report on the challenges and successes of managing a golf course to modern standards without the use of synthetic pesticides.

**Monday, March 29, 2010
5:30-6:30 pm**

The Cutten Club, 190 College Avenue East, Guelph, ON
